KLENCO CHEMICALS

Commercial Cleaning Chemicals

KLENCO CHEMICALS have been proven in extensive use throughout Asia since 1971. Our well regarded and consistently high quality cleaning and maintenance chemicals are manufactured under a Quality Management System certified to ISO 9002.

SPOTLIGHT

High Performance Floor Finish **6019**

Top of the line floor polish produces exceptional gloss, does not yellow and is extremely hard for maximum durability even on heavy traffic floors. Spray or dry buff with ultra-high speed burnisher for even higher shine.

ANTISTAT ACRYLIC

Static Control Floor Finish **A4000**

A high quality anti-static floor wax for computer rooms, hospital operating theatres, and all applications sensitive to electrostatic discharge and dust accumulation. Saves you untold thousands of dollars from equipment failure and process down time.

** Available in 1 and 5 gallons containers only*

DIAMOND

Super Hard Floor Finish **6018**

Metal interlock polymers provide superior hardness to resist scuffing & heel marks. Provides good durability in heavy traffic areas. Compatible to both high & ultra high speed buffing.

20 PLUS

Hi-Metal Floor Finish **6004**

Good quality, economical floor wax with metal cross-link polymers. Produces a high gloss without buffing, repellent to black marks, scuffing and is slip resistant. Extremely durable to detergent washing and does not discolour white or light-coloured floors; prolongs the life of floors. Suitable for high speed polishing.

PREMIUM SILVER

Sealer-Finish **6002**

Economical, water based, self-priming floor sealer-finish produces a durable shine. Ideal for general applications to various floor types including vinyl, rubber, sealed wood, ceramic and homogenous tiles.

PREMIUM GLOSS

Wooden Floor Finish **6007**

High grade solvent based floor wax for bare parquet, linoleum, wood strip & other wooden floors. Contains a brown oak stain to enhance the rich colour of wood.

PREMIUM SHIELD

Water Based Floor Sealer **6001**

Heavy duty, acrylic polymer sealer that forms a tough, transparent, non-yellowing film to seal pores & protects the floor. Excellent water, detergent and soil resistance. Use on concrete, vinyl and most surfaces as an undercoat for floor finishes.

SUN UP PLUS

Spray Buffing Solution **6011**

For high or ultra high speed burnishing to remove dirt, black marks & produce maximum gloss. Compatible with all non-solvent based floor polishes.

ACTION 150 S

High Performance Stripper **1024**

Premium formulation uses high-grade solvents, ammonia & detergents for fast & effortless stripping of heavy build up of metal-link polymer floor polishes & waxes. Use with confidence on vinyl, rubber, parquet, cement, most natural stones and other types of tiled floors.

POWER STRIP-S

Solvent Based Stripper **1006**

Effective floor polish stripper that can also remove most difficult stains & graffiti from hard floors; even concrete or other semi-porous surfaces. Highly recommended for removal of marks and stains found in commercial and industrial settings such as factories, workshops and warehouses.

ACTION 150

Super Polish Stripper **1022**

Effective, economical stripper of most floor polishes and waxes. Recommended for use on vinyl, terrazzo, marble, mosaic, ceramic tiles and most other hard floor surfaces.

ACTION 170 S

Spray Extraction Detergent **4007**

Low foam detergent for carpet & upholstery spray extraction. Soil emulsifiers provide optimum cleaning; optical brighteners restore lustre, while perfume provides a pleasant fragrance.

CAMPAIGN

Carpet Shampoo Concentrate **4006**

High foam carpet shampoo for use with rotary machines. Solvents & soil retardants ensure maximum cleaning power, while optical brighteners keep carpets clean & bright.

POWER SPOTTER

Carpet Stain Remover **4002**

Contains special solvents for cleaning stubborn spots & stains, leaving protective coating to counter future soiling. Ideal as pre-spray for heavily soiled carpets before cleaning with rotary machines or extraction cleaners.

POWER BURST

Anti-Foam **4004**

To break up foam in spray extractors & wet vacs. Ideally run through collection hose or alternately add to detergent or collection tank.

CLEANERS & DEGREASERS

POWER FORCE

"Super Wetting" Cleaner

1026

Housekeeping detergent using "Super Wetting" technology to lift oil & dirt 200% faster, making it more effective & economical. Deodorizes as it cleans.

ACTION 130

Food Safe Cleaner Degreaser

1021

Non-toxic cleaner is USDA approved for use on kitchen tops, stoves, ovens, hoods & other food preparation surfaces. It is also non-flammable.

FOUR SEASONS

Neutral Multi Purpose Cleaner

1014

Positive emulsion technology & neutral pH makes this a safe cleaner for toilet ceramic, plastic, even waxed floors & other hard surfaces sensitive to acidic or alkaline chemicals.

POWER PLUS

Heavy Duty Germicidal Cleaner

1001

Combines heavy duty detergent, powerful bactericide & perfume for outstanding cleaning, disinfecting and deodorizing. Use on floors, walls, factory equipment etc.

EASY CLEAN

Heavy Duty Degreaser

7001

General purpose water soluble degreaser containing powerful grease cutting solvents. Suitable for cleaning most industrial floors, surfaces and equipment.

POWER SANLENE

Multi Purpose Degreaser

1010

Effective, economical multi-purpose cleaner and disinfectant.

POWER LEMON

General Purpose Liquid Soap

1002

Viscous, concentrated, high foaming, grease cutting liquid soap for washing windows, dishes, cars & practically any hard surface. Neutral pH makes it safe on hands.

POWER VIEW

Glass Cleaner

1004

Water based cleaner containing solvents to provide spotless, easy drying results on glass like surfaces such as windows, mirrors and glazed tiles.

FURNITURE & STEEL

SHINE ON

Silicone Furniture Polish

6014

Made with high quality wax & silicones to clean, shine and protect furniture & other wood surfaces.

STEEL SHINE

Stainless Steel Polish

6015

Made with surfactants & solvents to clean and polish metal surfaces, leaves behind a thin film to retard smudging.

DEODORIZERS & DISINFECTANTS

SANIFECT

High Level Disinfectant

2005

Non toxic and alcohol free, yet destroys bacteria and tough-to-kill viruses. Plant oil based ingredient breaks into ion-bonded virus envelope, allowing them to be easily killed. Ideal for disinfecting hard surfaces and safe even for fogging.

HG SANLENE

Hospital Grade Germicidal Cleaner

1011

Quaternary based detergent with strong disinfecting properties against a broad spectrum of bacteria. Passes the Kelsey-Sykes test.

env^o DISINFECTANT SPRAY

8002

Effectively eliminates unpleasant odours and leaves a lingering fragrance after use. Use to clean and disinfect hard surfaces such as telephones, door knobs, table tops, musical instruments or as air freshener in reception areas, toilets and to counter tobacco odour. Choose from Floral Scents or Apple Fresh fragrance.

** Available in 300gm aerosol cans only.*

POWER BAC

Antibacterial Toilet Bowl Cleaner

1005

Mildly acidic for effective but safe cleaning, thickened for clinging effect to reduce wastage, disinfectants to counter bacteria. Use on ceramic toilet bowl & urinals.

** Also available in 500ml angle necked bottle.*

POWER DEO

Deodorant Tablets

2010

Especially for odour control in urinals, this can also be placed in storage areas to protect clothes & books against insects.

** Available only as tablet form in 5 kg pack.*

POWER ENZ

Enzyme Odour Digester

2007

Enzymes digest odour-causing organic matter. Also breaks down stains such as urine, vomit, blood, wine & coffee. Ideal for rubbish chutes, waste containers & animal pens.

POWER FLORAL

Concentrated Odour Mask

2001

Disinfectant cleaner with powerful sweet scent for masking foul odours. Use in public toilets, garbage collection areas and wherever odour control is critical.

POWER LIME

Cleaner / Disinfectant / Deodorizer

2002

A general disinfectant cleaner with a unique scintillating citrus fragrance, especially suitable for toilets. Great also for general spraying in the air as an odour mask.

DAY BREAK

Disinfectant and Deodorizer

2008

Provides effective cleaning, good disinfecting properties and a persistent and pleasant baby powder perfume. Ideal for regular cleaning and deodorizing of public areas.

POWER FRESH

Pine Disinfectant

2003

Germicidal cleaner with a strong pine deodorant for that sanitary "hospital" scent. Ideal for cleaning and disinfecting hospital wards, clinics and all areas where a sense of hygiene is desired.

HANDS & BODY

EMBRACE

Hair & Body Shampoo 5003
Formulated with both skin moisturizer & hair conditioner, this is the ideal 2-in-1 body soap. Carefully selected kiwi scent appeals to both ladies & gents.

HAND RUB

Sanitizing Hand Foam 5007
Alcohol free, no-rinse foam with high sanitizing efficacy against most bacteria and hard-to-kill viruses. Indispensable wherever good personal hygiene is critical.

* Available in handy 50ml bottles.

SAFE HANDS

Anti-bacterial Hand Soap 5005
Liquid hand cleaner with high germicidal efficacy against a broad spectrum of bacteria. Provides excellent anti-bacterial activity, offering long lasting protection of up to 8 hours after use.

GENTLE HANDS

Luxurious Hand Soap 5002
Pearly pink liquid soap with a floral scent, leaves hands clean, soft and pleasant-smelling after use.

SAFE CLEAN

All Natural Hand Soap 5001
Made of 100% natural ingredients, special emollients to reduce dryness on hands and a fresh fruity fragrance. Compatible with almost all dispensers.

SAFE GEL

Antiseptic Waterless Hand Gel 5004
Heavy duty gel for use in garages, factories & workshops. Does not require water for wetting or rinsing, just wipe off. Anti-bacterial properties prevent infection & dermatitis.
* Available in 4 and 20 litres containers only.

HAND SOAP

General Purpose Hand Soap 5008
Effective cleaner with a fruity fragrance is safe and pleasant for regular usage. Suitable for general and commercial applications.

SCALE & RUST

POWER BRITE

General Acidic Cleaner 7003
For removing light rust, oxides, fungus & other stains from concrete & other non-polished tiled surfaces. May be used for occasional cleaning & brightening of such surfaces, aluminium & certain steel.

ACTION 100 S

Scale and Rust Remover 1027
Acidic cleaner that effectively removes scale & rust stains from concrete, mosaic & other non-polished tiled surfaces.

CLEAN BRIGHT

Mosaic Floor Renovator 7002
Combination of surfactants & strong acids provides exceptional cleaning & surface renovation ability for the toughest jobs. Great for one time restoration jobs.
